

Partnering with the Community to Build a Better Place to Live and Work

Pelco, Inc. is a proud sponsor of the 2009 Central California Women's Conference. Through the Pelco Community Partnership Program, Pelco has been able to reach out to the local community in supporting numerous organizations. Pelco employees continue to raise the bar when it comes to giving back to the community, in particular through donating more than one million toys to Pelco's flagship charity, Toys for Tots.

Fundraising for Toys for Tots

In the spring of 2008 the Pelco "Go Green" Initiative was launched, aimed at reducing waste and implementing energy-reducing steps companywide. The initiative is part of Pelco's greater dedication to improving its communities and the world through committing to minimize the environmental impact of our facilities, design products and solutions.

Tree Planting with Tree Fresno

A world leader in the design, development and manufacture of video and security systems and equipment ideal for any industry, Pelco has a long and prestigious history of offering high-quality products and exceptional customer service. With a corporate culture dedicated to serving communities both within and outside of the company, we understand the important relationship connecting our company and our communities.

Supporting Team In Training

Pelco is proud to have the opportunity to share our Go Green successes and be a part of this conference dedicated to helping women succeed.
