Women of Central California,

Tuesday, Sept. 19, 2017 is a milestone for all of us here at CCWC as we celebrate our 30th Anniversary. Our theme this year is *Embrace Your Journey*, and we feel this says it all. We want you and your friends and family to reflect on where you've been – and where you're going. We've put together a day which we hope will give you an opportunity to learn from our fabulous speakers, meet remarkable women, make lasting connections, and discover many tools to help you thrive via whatever that next step is in your unique journey.

We are very excited about this year's keynote luncheon. Our keynote speaker is Amy Purdy. Many of you know her as the woman who waltzed her way into our hearts on *Dancing with the Stars*. Amy is also a Motivational Speaker, World Class Snowboarder/2014 Paralympic Medalist, Founder of Adaptive Action Sports, and New York Times bestselling author. We think you will leave the luncheon changed forever.

In addition, our breakout speakers represent the best and brightest in their professions and will discuss topics important to you, including business and entrepreneurship, health and fitness, money and finance, family and parenting, spirituality and courage and service and activism, as well as celebrating change.

Our Marketplace of 170+ exhibitors offers networking opportunities and free samples, gourmet tastings, boutique shopping and information about local businesses and community benefit organizations.

Our website and social media pages are designed with you in mind. Through daily tips, facts and important information for women, we continue to provide relevant and interesting content to inspire, educate and encourage you. By liking our Facebook page, following us on Twitter and Instagram, and signing up for our email list, you will become part of an amazing community of Central California women.

So here's to your journey, where you've been and where you're going. Embrace it all!

See you on Tuesday, Sept. 19.
